EVENTZONE

Designed to make arranging and communicating events easier, by improving co-ordination across departments and simplifying the process of publishing announcements and managing calendars. From trips to plays to Speech Day, **EVENT**ZONE combines an intuitive set of tools and checklists that help staff save time by streamlining tasks and enhancing the flow of information to ensure everyone's kept in the loop, nothing gets missed and everything runs smoothly on the day.

EVENTZONE works in combination with your existing ClarionCall and MIS solutions to provide an efficient, cost effective approach to managing and co-ordinating events, and communicating clearly with parents.

IT'S QUICK AND EASY TO;

- Create new custom events in the Parents Message Centre.
- Announce and publish full event details.
- Update multiple calendars centrally within pre-defined rules and filters.
- Manage and co-ordinate facilities with a simple step-by-step checklist
- Let parents know the latest news with integrated group email.
- Combine with other Unify applications to enable online booking and confirmation.
- Introduce approval workflows to avoid date and venue clashes.
- Export event records for reference and review.

WHY CHOOSE EVENTZONE**?**

IMPROVED CO-ORDINATION
Streamlined processes bring everyone together, saving valuable time much better spent on teaching priorities than administrative tasks.

EVERYTHING IN ONE PLACE
A single dashboard to create calendar entries, send invitations, enable online booking, publish webforms and co-ordinate facilities requirements.

BE SURE OF A FULL HOUSE
Online announcements and integrated group messaging make it easier to keep parents engaged, so they're much more likely to participate.

QUICK SET UP AND INTEGRATION WITH YOUR EXISTING MIS
One-time set up gets you off and running in minutes, using existing data, stored by ClarionCall, updated daily from your MIS.
