PUPILS' REPORT ARCHIVE

REPORTZONE

Publish personal reports and reviews, originally produced in your MIS, swiftly and securely online. No need to print and post; in a few simple steps administrators can manage and control the publication of selected documents from your existing system by uploading them directly to the Parents' Message Centre. Let parents know reports are ready, and they just log in to download and read. As terms pass, you've built a complete record of every pupil's report history, stored in one place, for parents to review at any time.

REPORTZONE works in combination with your existing ClarionCall and MIS solutions to make sharing reports simpler, more cost effective and secure.

IT'S QUICK AND EASY TO;

- Share reports securely online in parents' private Message Centres.
- Upload documents initially created in your MIS, individually or as a batch.
- Alert all parents that new reports are available.
- Email documents direct with integrated group messaging.
- Build a permanent, easy-to-access archive of pupils' full report history.

WHY CHOOSE REPORTZONE?

LESS COSTLY, MORE RELIABLE

Sharing reports online eliminates the cost to print out and mail paper copies, and removes the uncertainty of distributing via pupils.

CONTROLLED DISTRIBUTION

Staff select documents from your existing files and publish direct to **REPORT**ZONE as part of a structured, centrally controlled process.

PEACE OF MIND FOR PARENTS

No privacy concerns. All reports are held securely in parents' personal, log in-protected Message Centre.

AN A* FOR SET UP AND INTEGRATION WITH YOUR EXISTING MIS

One-time set up lets you publish instantly to ReportZone, using existing data, stored by ClarionCall, updated daily from your MIS.
