

MEETINGZONE

A more efficient solution for arranging one-to-one appointments, making it easier for staff to co-ordinate busy diaries and giving parents the flexibility they need.

SIMPLE MEETING MANAGEMENT

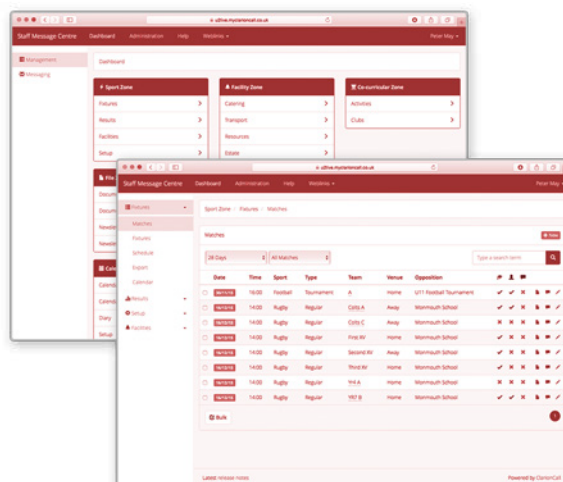

CUSTOM APPOINTMENTS DIARIES

CONVENIENT ONLINE BOOKING

INTEGRATED EMAIL CONFIRMATION

MEETINGZONE

A more flexible way to bring parents and staff together for reviews, tutor meetings and other important one-to-one appointments. Simple online booking allows parents to select preferred dates and times, avoiding diary clashes, with no more time-consuming reshuffles for staff. Reduce the workload of organising complicated schedules across multiple dates and make sure everyone gets a slot that suits their schedule.

MEETINGZONE works in combination with your existing ClarionCall and MIS solutions to provide an efficient, reliable solution to co-ordinating diaries, and communicating clearly with parents.

IT'S QUICK AND EASY TO;

- Announce meeting schedules and details in the Parents' Message Centre.
- Create a custom appointments diary in moments.
- Publish available meeting times, across multiple dates.
- Invite parents to select and book appointments online, or complete manually on their behalf.
- Confirm all meetings with a personalised email.
- Print or export a full itinerary for staff planning and reference.

WHY CHOOSE MEETINGZONE?

SAVES TIME AND STREAMLINES PROCESS

Simple self-selection eliminates complexity, meaning less time spent organising, and then re-organising, teachers' meeting schedules.

MORE CONVENIENT FOR PARENTS

Online booking, accessible from any device. Parents find the dates and times that suit them best, with no need to rearrange their own diaries.

SIMPLE TO LEARN, EASY TO USE

Intuitive displays and easy to master controls mean no lengthy training processes, even for the most advanced features.

QUICK SET UP AND INTEGRATION WITH YOUR EXISTING MIS

One-time set up gets you off and running in minutes, using existing data, stored securely by ClarionCall, updated daily from your current MIS.
